

AGL BCCC – 10 June 2009.

Items as a result of minutes taken at Meeting number 12 on 18 May 2009.

12.5.1 – Parsons Brinckerhoff representative John Ross gave references to Internet links which are as follows:

Water Bore Construction Specifications (incl monitoring bore construction)

http://www.nrw.qld.gov.au/services_resources/item_details.php?item_id=7119

Water Quality Guidelines

<http://www.environment.gov.au/water/publications/quality/index.html>

Pumping Test Australian Standard

Its AS1990 - not available on the internet - need to purchase it.

12.5.1 – Siobhan Barry offered to provide the BCCC with the licence numbers of AGL's water monitoring bore licences which are as follows:

- 11 / 21 / DP 758164 for 5 bores **Licence number 20BL172038**
- 11 / 21 / DP 758164 for 3 bores **Licence number 20BL172117**

The above licences cover up to 8 monitoring wells to be installed at 2 locations; BM01 and BM03. We originally anticipated up to 8 wells at these locations, hence the allowance for 8 wells on the licences.

- 9 / 11 / DP 758164 for 4 bores **Licence number 20BL172037**

The above licences cover up to 4 monitoring wells to be installed at location BM02

The following licence covers boreholes at the Milbrodale property.

- 51 / / DP 601485 for 13 bores **Licence number 20BL172014**
