

AGL energy plan fact sheet.

AGL Advantage® 7 Online Saver Energy Plan 7% off your usage charges¹ + \$25 account credit each year² South Australia, residential customers, gas

This price fact sheet contains information relating to an AGL Advantage® 7 Energy Plan for gas. This Energy Plan may not be available to all customers. Eligibility requirements are outlined at the end of this document.

The estimated annual costs set out in this price fact sheet are indicative only. Calculations assume demand for gas is constant during a full year. Your costs may be different from the estimated annual costs depending on:

- > your consumption of gas,
- > the pattern of your gas consumption over a full year, and
- > variations in the rates for gas charged by AGL over the term of the energy plan.

This Energy Plan is a 24-month fixed-term Energy Plan. AGL may vary the gas rates listed below with prior written notice.

All estimated costs, discounts, fees or other amounts outlined below are inclusive of GST.

Estimated annual gas costs*

6 GJ (consumed over 12 months)	\$391.41
24 GJ (consumed over 12 months)	\$773.72
45 GJ (consumed over 12 months)	\$1,070.18

*Excluding the value of the \$25 annual account credit.

Gas rates (For SA other than Mount Gambier, Port Pirie, Whyalla, Riverland but including Barossa and Peterborough)

Usage†	Units	GST Incl
First 4,500 MJ/91 days	c/MJ	2.6620
Balance	c/MJ	1.5180
Service charge	c/day	66.539

† The MJ value in the usage column above is a quarterly consumption threshold up to which the stated price may apply. Billing period consumption thresholds for the stated price are calculated by dividing the quarterly threshold by 91 and multiplying by the number of days in the billing period. Unused amounts for each billing period consumption threshold are not carried forward.

¹ The discount is a **7% discount** off the amount payable for your applicable peak, off-peak or shoulder energy usage, and will appear as a separate credit (GST exclusive) on your bills. The discount does not apply, for example, to fixed daily energy service or supply charges, or demand usage charges.

² The **\$25 annual rebate** is apportioned across your bills each year for the duration of the Energy Plan by dividing \$25 by 365 and multiplying by the number of days in each billing period.

Other benefits

- > **\$25 annual rebate:** apportioned across your bills each year for the duration of the Energy Plan.
- > **\$50 voucher:** valid for any AGL Assist service (a minimum spend of \$50) or appliance purchase at any AGL Energy Shop (a minimum spend of \$400).
- > **Our fair pricing promise:** if your Advantage Energy Plan bill is higher than it would be under a relevant standard energy plan³, you can end your Advantage plan without paying the early termination fee. Conditions apply. See General Terms for details or visit agl.com.au
- > **Movers guarantee:** if you end your Advantage Energy Plan because you are moving to a new supply address, we will waive the early termination fee, if:
 - > you accept the market offer we make to you to sell you energy at the new supply address; or
 - > we cannot make an offer because we do not sell energy in the area.
