

AGL Energy Plan Small Customer Market Contract Fee Schedule.

Queensland.

Energy in
action.

AGL

Here are all our fees.

At AGL we believe it is important to be transparent with fees. That is why we have set them out for you in black and white. Some only apply in special circumstances. Others are simply passed on by AGL from your Distributor. Please take a moment to look over them and keep them in a safe place for future reference.

Can we help?

Making information easier to access.

We have made the information provided here easier to access by including 'quick links' within the text. When you roll your cursor over any of the contents headings or website URLs, you will notice they become highlighted or underlined. This means they are an active 'quick link'. Just click on the 'link' and it will take you directly to the appropriate section of this document or the web page referred to.

1. Queensland. Gas.

See the General Terms for when these and other fees apply. We will advise you of the amount of any 'Pass Through' or unlisted fees at the time you make a relevant request. For example, when we arrange on your behalf for a service to be performed by the Distributor (who is responsible for the gas pipes and meters in your area).
