Facts.

## AGL Advantage® 5 Energy Plan 5% off your usage charges<sup>1</sup>

South Australia, small business customers, gas or electricity

This price fact sheet contains information relating to an AGL Advantage® 5 Energy Plan for gas or electricity as relevant, including AGL Green Choice™ options for electricity. These energy plans may not be available to all customers. Eligibility requirements are outlined at the end of this document.

AGL Advantage® 5 Energy Plans are 24-month fixed-term contracts. AGL may vary the gas or electricity rates with prior written notice.

When you add AGL's Green Energy® option to your AGL Advantage® 5 electricity plan, AGL will source electricity equal to 100% of your electricity consumption from renewable energy sources that are approved under the National GreenPower Accreditation Program.

All estimated costs, discounts, fees or other amounts outlined below are inclusive of GST.

### Electricity rates

Your electricity rates depend on the type and configuration of your meter. Listed below are the different tariffs that may apply to you. If you are unsure of which rates will apply to you, please contact us on **133 835**.

- > Off-peak Controlled Load (Tariff 116) is available in conjunction with tariffs 126, 126M, 128 and 128M.
- > The kWh values in a usage column below are daily consumption thresholds up to which the stated price may apply. Billing period consumption thresholds for the stated price are calculated by multiplying the daily threshold by the number of days in the billing period. Unused amounts for each billing period consumption threshold are not carried forward.

### Other benefits

- > **Our fair pricing promise:** If your Advantage Energy Plan bill is higher than it would be under a relevant standard energy plan<sup>2</sup>, you can end your Advantage plan without paying the early termination fee. Conditions apply. See General Terms for details or visit [agl.com.au](http://agl.com.au)
- > **Movers guarantee:** if you end your Advantage Energy Plan because you are moving to a new supply address, we will waive the early termination fee, if:
  - > you accept the market offer we make to you to sell you energy at the new supply address; or
  - > we cannot make an offer because we do not sell energy in the area.

### Why AGL?

- > We have one of Australia's largest retail electricity and gas customer bases with more than 3.2 million customer accounts.
- > We were the first Australian energy company to provide an accredited green energy product as well as the first to join the Chicago Climate Exchange, the world's first carbon trading exchange.
- > We have invested over \$2 billion in renewable energy generation.
- > We offer a range of payment options to make paying your bills even easier.
- > AGL Assist can deliver reliable and friendly electricians or gas plumbers. Visit [agl.com.au/assist](http://agl.com.au/assist) or call AGL Assist on **131 766**.

### Eligibility for this Energy Plan
