

Jeff Dimery

Group General Manager, Merchant Energy

J

Jeff Dimery holds the dual roles of Group General Manager Merchant Energy and General Manager Victoria.

Jeff has more than twenty years experience in the energy and water resources industry, having been employed with AGL Energy for the past 13 years. During this time Jeff has held senior management roles in the areas of Sales, Power Generation and Wholesale Trading.

Jeff has held numerous industry directorships during his time with AGL including the National Generators Forum (NGF), the AEMC Reliability Panel and the Clean Energy Council.

Jeff's formal qualifications include a Bachelor of Business degree from RMIT University and he has also completed an executive programme at IMD in Switzerland.
