Community Consultative Committee: Sydney Gas - Camden Gas Project

ITEM	DISCUSSION	ACTION/CLOSE OUT	DATE BY
	<p>attendees re locational guidelines – no responses. 1 returned – left address.</p> <ul style="list-style-type: none"> 2/12/04 Ian Denny EMAI re members of committee 		
5.0	Complaints Register (as attached YTD)		
9-5.1	<p>001/05</p> <p>Complaint from Hazel Rofe re use of Johndillo Offices and Yard on 26 December 2004.</p>	<p>The task in question was the removal of a vehicle for use at another location. The vehicle was returned an hour or so later.</p> <p>There was no breach of operational guidelines and so such activities will continue.</p> <p>Site is to be closed and rehabilitated as part of the Rosalind Park Gas Plant construction.</p>	
9-5.2	<p>002/05</p> <p>Complaint from Stephen Faye and June Young re excessive flaring and noise from well site.</p>	<p>A small control system problem resulted in the flare operation during a scheduled RBTP start up. The resultant pressure increase in the gathering line whilst operators were rectifying the problem and personally handling the first complaint resulted in the lifting of a safety valve at a well site.</p> <p>The occurrences were part of normal operational performance and although rare could re-occur.</p>	
6.0	Project Operations Review		
9-6.1	<p>Sydney Gas continues to achieve expected gas production through the Ray Beddoe Treatment Plant.</p> <p>The Rosalind Park Gas Plant commenced gas sales on 16 December 2004. Production will ramp up as additional wells are drilled and brought to operations.</p> <p>Areas within PEL 4 were indicated. Priorities were in completing EMAI then moving to Sugarloaf or Mt Gilead. Others areas are under negotiation with landowners.</p>		SJM to supply map with minutes.
7.0	General Business		
9-7.1	<p>Sydney Gas (SJM) discussed the detail of the Annual Environmental Performance Report (AEPR). It was highlighted as to:</p> <ul style="list-style-type: none"> The noise issue at RBTP and the discussions with the EPA (Section 3.1.3 Camden Gas Project – Operational Noise). The NOx issue at RBTP and the Discussions with the EPA (Section 	<p>The report is to be distributed to all Shires and Regulators and be made available to the public.</p> <p>Sydney Gas requests that the attached copy be available in the Shire library for review by the public.</p>	SJM to include AEPR with Shire minutes.

Community Consultative Committee: Sydney Gas - Camden Gas Project

ITEM	DISCUSSION	ACTION/CLOSE OUT	DATE BY
	3.1.1 Camden Gas Project – Air Emissions).		
8.0	Next Meeting		
	Thursday 23 June 2005 at 5pm Sydney Gas will inform the committee if the start point for the meeting will be the rehabilitated Johndillo Office and Yard. The meeting will follow. Sydney Gas to advise before next meeting.		
	Meeting Closed 7.00pm		

Note:

- Item numbering in column one shows the meeting number first than the section number to allow for the actions to be tracked for close out.
- Items in **BOLD** are the comments made to close out an action raised in a previous meeting.
- 'NM' means action required prior to the Next CCC Meeting.
