POLLUTION INCIDENT OCCURS

Person-in-Charge/AGL staff/Contractor calls **Environment Business Partner *immediately***

If unable to reach Environment Business Partner, call the **Operations Superintendent**

Environment Business Partner and Operations Superintendent determine (with the advice from Legal) "**whether material harm to the environment is caused or threatened**" (POEO Act C148)

Material Harm

Notify **Community Relations Manager** immediately

Responsible Person to **immediately** notify Relevant Authorities

Undertake AGL incident investigation (consider notifying relevant authorities and community out of abundant caution – **Refer to PIRMP Section 5.1**).

End

Implement **Community Notification Protocol**

Review PIRMP within 1 month of incident

Update PIRMP (if required)

- AUTHORITIES TO CALL IN ORDER OF PRIORITY**
1. SB to call: Fire Brigade: 000 (Mobile 112)
(To be contacted first if fire or rescue services are required, otherwise contact last)
