

AGL – proud to be part of the Gloucester and Stroud Shows.

Thank you to everyone who visited us at the Gloucester and Stroud Shows.

It's important to AGL that we are open and transparent. That's why we were involved in the Gloucester and Stroud Shows, and spoke with hundreds of farmers, families and community members while we were there.

We are working hard to be a good community member, neighbour and tenant, and sharing information and hearing feedback about our operations is one of the best ways for us to do this.

Our Customer & Community Adviser, Mick Hanly, is working to help locals reduce their energy bills. So far, 125 new customers from the Gloucester and Stroud communities have signed up to electricity deals with AGL that will save them money.

We're here to talk, so if you have any questions about the Gloucester Gas Project please call Karyn Looby on 1300 886 170, or contact Mick Hanly on 0477 387 638 to talk about your energy needs.
