

AGL's Local Community Investment Program – coming soon.

AGL's Local Community Investment Program offers financial and in-kind assistance to community groups to support events, programs and initiatives that benefit the local community. The first funding round will be opening shortly.

Expressions of interest.

All applications will be reviewed and assessed by AGL's Local Community Investment Program assessment panel, comprising AGL representatives and local community members. Community representative positions are voluntary and community representation enables meaningful community input into the decision-making process. The community representatives are chosen on their experience and broad understanding of the community stakeholder group they represent.

Please address your expression of interest to Karyn Looby, Manager Community Relations by email at Karyn.Looby@agl.com.au.
