Discussion around health and wind farms

- › Discuss Professor Simon Chapman's presentation to the Coopers Gap Wind Farm CCC: Can wind farms make people sick?
- › A list of publications from Simon Chapman can be found in:
<http://sydney.edu.au/medicine/people/academics/publications/simonchapman.php>

Other business

- › Topics raised by CCC members for discussion at future meetings:
 - › Property values
 - › Health – would the CCC like to hear a presentation from Professor Simon Chapman?
 - › Traffic during construction – high level discussion at May 2013 meeting. A more detailed discussion to be held once tenderer has been finalised

Next meeting and close

- › What topics do we want to discuss in the future meetings?
- › Next meeting – Thursday 25 July 2013
