

Electrical

Request for Removal of ENERGEX Electrical Assets For Demolition / Removal purposes only

On completion, please fax this request to the current Electricity Retailer

Applicant Details

*Note – The premises **MUST** be vacant for the removal of assets to proceed. Should the premises be occupied when the ENERGEX crew arrives onsite the removal will not be completed.*

You must forward this form to the current electricity retailer to request ENERGEX to perform this work
If unsure of the current retailer for the site (NMI), please call ENERGEX on 13 12 53 for advice of the current retailer and their contact details
