Date Electrical Assets to be Removed by

/ /

I declare that I have the authority as the owner or owner's agent to apply for a supply abolishment to be undertaken at the above mentioned premises. I also accept that if Ergon Energy is required to reinstate the electrical assets because this request is made without the correct authority, I may be charged the costs associated with that activity.

I agree not to conduct any removal / demolition works at the aforementioned premises until I have been advised by Ergon Energy that the electrical assets have been removed.
