

Application for Abolishment of Electrical Supply (VESI Form)

The applicant requests the **permanent removal** of all metering and servicing associated with the property detailed below.

To ensure the prompt processing of your application please ensure all details requested are accurately completed. Incomplete applications will be returned to the applicant.

Site Details

Address of Electricity Supply to be abolished

Site Access Details

Accurate site access details are critical to ensure the work can be carried out. In the event that the access arrangements provided are insufficient for the work to be completed a standard service truck fee will be charged to you for the visit.

Type of service to be abolished

Overhead Underground cable supplies Multiple services to the site Substation direct supplies

If more than one service to the site exists please indicate which supply is to be removed.

Metering to be abolished

Meter Number(s)

Supplying accurate meter numbers assists us to identify the correct service to be abolished and reduces timeframes.

Preferred Date to be completed

The date requested represents the Applicant's preferred date for abolishment of the service. The actual date the works will be completed is subject to the resources available and extent of the works required.
