Understanding your bill

Learn more about how to read and understand your usage, meter readings and any applicable credits or discounts in the AGL Bill Explainer.

agl.com.au/billexplainer

You're on one of our low-cost plans

6

Having reviewed your annual usage, you're on one of our low-cost plans.*

To compare other available plans, visit the Victorian Energy Compare website at compare.energy.vic.gov.au

The above message is required by Victorian energy regulations.

Your AGL business gas bill explained

1. Here's who to contact for help

For queries about your gas account, or tailored assistance and advice, visit agl.com.au or call us.

If you experience an unexpected loss of energy supply to your property, we've made it easy for you to find the contact number for your distribution company. Your Distributor is responsible for the gas pipes and meters and reliability of energy supply in your area, and is best placed to provide assistance.

2. Your account details for handy reference

Your account number shown here is specific to your gas account, and you should quote it when you contact us with any queries.

If you need to make any changes to your company details, it's easy to do so any time at **My Account**.

3. Your average daily usage and costs

In this section, you can see how much gas your business is using.

The graph displays your average gas usage and costs over the past 13 months. The Snapshot shows a summary of your average daily costs and usage for the specific billing period, and your average usage at the same time last year so you can see if it has changed.

Notice a difference in your average daily usage? There are several factors which could change your business's average daily usage, such as the installation of new gas equipment or a shift in your usage patterns.

You can also monitor your usage by using **My Account**. It lets you track your energy usage and costs by helping you identify when you use energy most and find ways to adjust how and when you use energy to maximise your savings.

4. Clearly see what to pay and when

Your bill overview shows the balance brought forward (any amount carried over from previous bills, which may include any unpaid balance or credits). This is added to your new charges for this billing period to arrive at the total amount due. Please note that overdue amounts from previous bills may have a different due date, which will be shown in this section and on the back of your bill.

If you make your payments by Direct Debit or Bill Smoothing, you'll see your payment date, amount and frequency listed.

5. Helpful information

This is where you'll find useful information about our products and services.

6. Compare energy plans

We'll regularly check our generally available plans against your past energy use to see if you're on one of our low-cost plans.

We'll let you know if another AGL plan could save you more and how much you may save by switching. If you're already on one of our low-cost plans, we'll let you know that too.

7

Important information.

Payment assistance. There are a number of options available to eligible customers, including Victorian Government energy concessions and rebates, AGL payment plans and the Centrepay scheme. To find out more, visit agl.com.au/Concessions

Energy efficiency. For information about energy efficiency, visit www.victorianenergysaver.vic.gov.au or call 136 186.

*This comparison is based on the rates and/or discounts applicable to your current plan and our generally available offers as at 31 May 2020. If we don't have 12 months of usage data, we've estimated your usage based on a similar sized premises. This comparison does not factor in one-off benefits, fees and other charges such as green or ancillary charges.

7. Important information

Here you'll find information about payment assistance, interpreters, moving your gas to a new site and other important service messages in this section.

8. View your business gas supply details

You'll find your gas supply details clearly listed in one place.

This includes information about your gas supply for the supply period (the period covered by this bill), and the specific Energy Plan you're on. Plus, this is where you'll find your MIRN (Meter Identification Reference Number), a unique number that identifies your gas meter for sites in VIC, QLD or SA or your DPI (Delivery Point Identifier) that identifies your gas meter if your site is in NSW. You may be required to quote this number if you have work carried out on your supply.

9. Find your meter read details here

In this section, you'll find your meter read details, including whether an actual or estimated read has been taken. These are used to calculate your gas bill for the billing period.

Under this table, you may also find important messages about your meter, including your next scheduled meter read date, or any issues encountered when gaining access to your site.

10. How we've worked out your bill

We've broken down your gas charges into a simple structure, so you can better understand how we've worked out your bill.

Under the **previous balance and payments** section, we list any payments you've made, and any discounts we've applied, to show the final balance brought forward to this bill.

The **new charges and credits** section is divided into units and prices for this billing period, according to your gas rates. We list your new charges for your gas supply and usage, plus any credits, discounts, concessions and adjustments we've applied to this bill.

The final total amount shown here includes the applicable GST.

11. Find your payment details here

Under the payment amount and due date, you'll see your reference number for your business. You'll need to quote this, when requested, for most payment methods.

If you're paying by cheque, remember to cut off this lower section of the bill as marked and include it with the cheque when posting.

If you're paying in person at a post office, simply present your bill so the code here can be scanned to record your payment.

12. Easy payment options

We offer several convenient ways to pay your gas bill including Direct Debit, which takes the hassle out of paying bills and helps ensure you always pay your business bills on time.

We've also made it easy for you to pay your bill online at agl.com.au/PayMyBill
