

Gas Abolishment Process

(Large Market - > 10TJ)

Please submit all paperwork and requests to our dedicated Procurement Australia Service Team – procurementaustralia@agl.com.au or call through to 1300 793 477 from your earliest planning stage.

Each gas abolishment will vary in process and contractual requirements. Pending on site conditions, process can take up to 60 Business days to complete.

This is a complex process and needs to be clearly communicated to the Customer.
