Subject: Biodiversity Management Plan – Stage 2 for Broken Hill Battery Energy Storage System
(SSD-11437498)

Dear Ms Brady

I refer to your submission requesting approval of the Biodiversity Management Plan – Stage 2, which was submitted in accordance with condition 12 of Schedule 3 for the development consent for the Broken Hill Battery Energy Storage System.

The Department notes that the Biodiversity Management Plan – Stage 2:

- has been prepared in consultation with the Department's Biodiversity and Conservation Division; and
- contains the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the Biodiversity Management Plan – Stage 2 (Revision 3 dated 9 September 2022) under condition 12 of Schedule 3.

You are reminded that if there is any inconsistency between the approved document and the conditions of approval, then the requirements of the conditions of approval prevail.

Please ensure you make the document and this approval letter publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Kurtis Wathen on 02 8289 6981 or at kurtis.wathen@dpie.nsw.gov.au.

Yours sincerely
