Subject: Traffic Management Plan – Stage 3 for Broken Hill Battery Energy Storage System
(SSD-11437498)

Dear Ms Brady

I refer to your submission requesting approval of the Traffic Management Plan – Stage 3, which was submitted in accordance with condition 9 of Schedule 3 of the development consent for the Broken Hill Battery Energy Storage System.

The Department notes that the Traffic Management Plan – Stage 3:

- has been prepared in consultation with Transport for NSW and Broken Hill City Council; and
- contains the information required by the conditions of consent.

Accordingly, as nominee of the Planning Secretary, I approve the Traffic Management Plan – Stage 3 (Revision F0 dated 10 November 2023).

You are reminded that if there are any inconsistencies between the approved document and the conditions of approval, the conditions prevail. Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Kurtis Wathen on 02 8289 6981 or at kurtis.wathen@dpie.nsw.gov.au.

Yours sincerely

Iwan Davies
Director
Energy Assessments

As nominee of the Planning Secretary
