- > August 2012

Northern Expansion

Submissions Stage:

-Application to move into new planning system- SSD. Why?

- Part 3a was repealed in Sept 2011 to address community concerns with the Part 3a process.

-AGL to transition into the current planning regime.

- Submissions response & EBPC Referral currently being reviewed.

Finalising design

-Removal of Gas Plant. Council & Community concern, impact on CPW.

-VV07 removed – Access, Possible impact on CPW.

-VV11 removed – Impact on CPW, well design.

-VV03 replacement. Well design allows for reduced surface impact.

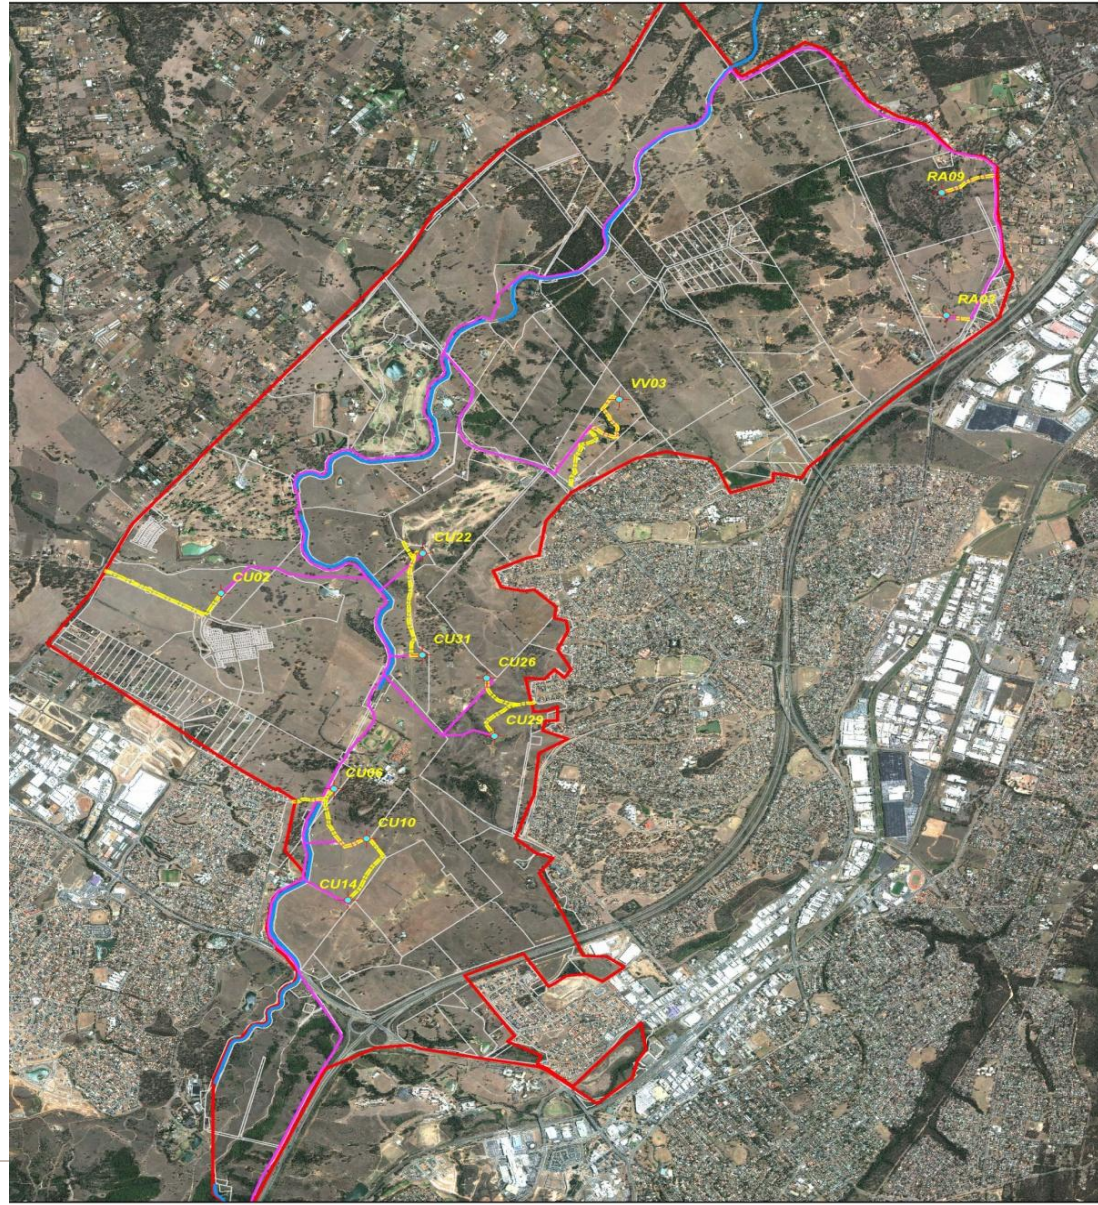

-CU20 removed. Land use conflict.

-CU22 relocated. Reduces land use conflict.

-CU06 relocated. Land use conflict.

-CU31 additional. Covers areas due to well relocations.

-CU02 gathering line relocation to fit in with development.
