

# AGL Gloucester Gas Project community update.

## Gloucester wins with Local Community Investment Program.

AGL's Local Community Investment Program offers financial and in-kind assistance to community groups to support events, programs and initiatives that benefit the local community.

### Applications for the second round of funding will be opening soon.

The first round of funding, announced earlier this year, was assessed by a committee including representatives from AGL, local business, government and community organisations.

Among the organisations and projects funded in the first round include a grant for new equipment for the Gloucester District Archers to support a new member coaching program, funding for the Rotary Club of Gloucester to establish a new fitness station as part of the Gloucester Fitness Trail, a contribution to the Gloucester RSL Sub-Branch towards their Centenary of ANZAC 2015 event, and support for the University of Newcastle's Science and Engineering Challenges in our region.

### Applications for the next round of funding can be submitted from 1 February to 28 February 2015.

To learn more about AGL's Local Community Investment Program and to see if your organisation or initiative is eligible, please visit [www.agl.com.au/gloucester](http://www.agl.com.au/gloucester), contact Community Relations Manager Karyn Looby on [karyn.looby@agl.com.au](mailto:karyn.looby@agl.com.au), or call 1300 799 716.
