Dear Ms Donnelly,

**Re: Request for Trading Halt**

As discussed, AGL Energy Limited hereby requests a trading halt, within the meaning of LR 17.1, effective immediately.

The reason for the trading halt is that AGL is in discussion concerning a possible material transaction. The trading halt is requested until market opens on Wednesday 24 December 2008 or earlier if AGL has made an announcement by that time. AGL expects to make an announcement about the possible material transaction prior to the commencement of trading on Wednesday 24 December 2008.

AGL Energy Limited is not aware of any reason why the trading halt should not be granted.

Yours faithfully
