- 3.6 Time will be allocated at each Committee meeting for the Committee to meet with each of the General Manager, Group Audit, General Manager Group Risk, Compliance & Insurance and the external auditors without management present to discuss any matters the Committee considers relevant to the Committee's purpose.
- 3.7 The Secretary of the Committee shall be responsible for scheduling meetings, co-ordinating the preparation of the agenda, minutes and other supporting documentation for the meeting. The Company Secretary (or their delegate) will circulate minutes of meetings to members of the Committee.
- 3.8 Subject to any provision to the contrary as set out in this Section 3, Committee meetings shall otherwise be conducted in accordance with the Board Charter.

4. Authority

- 4.1 The Committee is a Committee of the Board and shall have no authority independent of the functions delegated to it by the Board.
- 4.2 The Committee is authorised by the Board to investigate any activity it deems appropriate, consistent with its responsibilities and duties. It is authorised to seek any information from any officer or employee of AGL all of whom must co-operate with any request made by the Committee.
- 4.3 The Committee is authorised to engage any firm of accountants, lawyers or other professionals as the Committee sees fit to provide independent counsel and advice and to assist in any review or investigation on such matters as the Committee deems appropriate, at AGL's expense.
- 4.4 The findings of the Committee shall not relieve the Board of any of its responsibilities.

5. Reporting

- 5.1 The minutes of each meeting of the Committee will be tabled at the next Board meeting.
- 5.2 The Committee shall regularly inform the Board about Committee activities and make recommendations to the Board on matters relevant to the Committee's purpose and responsibilities.
- 5.3 The Committee will oversee the preparation of any reports required by law or the listing rules or as requested by the Board including reports on corporate governance required to be included in the Annual Report.
- 5.4 The Committee Chair or the Committee Chair's nominee shall attend the Annual General Meeting prepared to respond to any shareholder questions on the Committee's activities.
- 5.5 The Committee Chair will, where appropriate, provide reports to other Board Committees on material information or matters relevant to the Committee's specific responsibilities that may be relevant to the other Committees' roles and responsibilities.

6. Responsibilities

- 6.1 The Committee will undertake the following activities to fulfil its responsibilities:

Statutory Reporting Processes

- Review and discuss with management and the external auditors the half-yearly and annual financial reports, including the disclosures made in those reports, to ensure they reflect the Committee members' understanding of, and otherwise provide a true and fair view of, the AGL Group's financial position and performance, and recommend to the Board whether the financial reports should be approved. This includes any climate-related financial disclosures in AGL's Sustainability Reports.
- Discuss with management, Group Audit and the external auditors any significant issues identified in connection with the preparation of the AGL Group's financial and sustainability reports, including:
 - the effect of significant or material changes in accounting standards and practices;
 - the effect of significant judgements or estimates made by management;
 - the appropriateness of assumptions used to support carrying values of assets;
 - the appropriateness of assumptions used as a basis for sustainability and climate-related estimates and targets (having regard to input from the Safety & Sustainability Committee); and
 - Australian Securities Exchange listing requirements and requirements of the Corporations Act and other relevant legislation.
- Review and discuss with Group Audit and the external auditors their reports regarding significant findings in the conduct of their audits and, where appropriate, monitor the management and rectification of those significant findings by management.
- Discuss with management, the General Manager, Group Audit and the external auditors any material issues relating to the adequacy and effectiveness of the AGL Group's system of internal controls over financial information, reporting and disclosure as well as any procedures adopted to address material internal control deficiencies.
- Overseeing the assurance process for the sustainability report and processes used to verify the integrity of periodic reports that AGL releases to the market that are not audited or reviewed by the External Auditors.

- Review the processes to support the declarations made by the Managing Director and the Chief Financial Officer under section 295A of the Corporations Act and Recommendation 4.2 of the ASX Corporate Governance Principles and Recommendations.
- Satisfy itself that the adjustments to reported statutory profit made to determine AGL's publicly reported underlying Net Profit After Tax are consistent with AGL's accounting policies and with any guidelines issued by relevant authorities.
- Review and discuss with management (and having regard to input from the Safety & Sustainability Committee) sustainability-related risks and opportunities reporting processes, including the disclosures to be made on sustainability-related risks and opportunities in its periodic reports.
- Following review by the Safety & Sustainability Committee, review and recommend to the Board for approval the annual sustainability report.

Oversight of External Auditor

- Recommend to the Board the appointment and, if necessary (and subject to shareholder approval), the removal of the external auditors. The external auditors will report directly to the Committee.
- Recommend to the Board the rotation of the audit engagement partner.
- Review and approve the terms of engagement of, and the fees payable to, the external auditor.
- Review the scope and adequacy of the annual audit plan with the external auditors and approve the plan and the quantum of audit fees.
- Review and discuss with the external auditor any matters relating to the conduct of the audit including responses from management, and the appropriateness of AGL's accounting policies, and the reasonableness of management estimates and judgements.
- Review semi-annual reports on non-audit services to determine compliance with the Board's policy on maintaining the independence of the external auditors.
- Review at least biennially and recommend to the Board approval of any changes to the policy on maintaining independence of the external auditors.
- Review the performance of the external auditor at least annually, having regard to the skills and capabilities of the lead external audit staff and the quality of audits conducted.
- Oversee the implementation of, and compliance with, AGL's policy on the engagement of the external auditor to supply non-audit services.

Oversight of Group Audit

- Oversee the appointment and, if necessary, the termination of the appointment, of the General Manager, Group Audit. The General Manager, Group Audit will have a direct reporting line to the Committee through the Committee Chair.
- Review and approve a Group Audit Charter setting out the role, responsibilities, authority and reporting requirements of Group Audit.
- Review and approve the scope and adequacy of the annual Group Audit plan, including the health and safety, climate change, social, ethical, budget and staffing elements after review from the Safety & Sustainability Committee.
- Review and discuss with the General Manager, Group Audit the key findings and recommendations from each Group Audit report.
- Monitor progress against the Group Audit plan and management actions arising from Group Audit reports.

- Satisfy itself that the effectiveness of Group Audit has not been constrained by management restrictions on access to information or employees.
- Review the independence, objectivity, strategy and overall performance of Group Audit.

Risk Management

- Review and recommend to the Board, at least annually, approval of AGL's Risk Appetite Statement.
- Review and recommend to the Board, at least annually, approval of AGL's 'Tier 1 Risks', being those risks that may materially impact on the AGL Group's ability to meet its strategic objectives.
- Review, at least annually, AGL's business resilience arrangements.
- Review AGL's risk management and internal control frameworks to satisfy itself that it continues to be sound and that AGL is operating with due regard to the risk appetite set by the Board.
- Review, with input from the Safety & Sustainability Committee as appropriate, AGL's processes for the identification, assessment, prioritisation, assurance, monitoring and management of climate-related risks and opportunities, and consider the risks and opportunities assessed as material over a short, medium and long term horizon for the purposes of applicable reporting frameworks.
- Provide and/or receive reports and recommendations from other Board committees as appropriate, including with respect to material risks and opportunities and related disclosures required under accounting standards.
- Review, and recommend to the Board approval of AGL's key risk policies including AGL's Risk Management Policy, Trading Risk Policy, Treasury Risk Policy, Delegations of Authority Policy, Market Disclosure Policy, Securities Dealing Policy, Anti-Bribery, Corruption and Fraud Policy, Whistleblower Protection Policy, Privacy Policy, Human Rights Policy, Cybersecurity Policy and Tax Risk Management Policy.
- Monitor the effectiveness of management's performance against AGL's risk management framework, including consideration of AGL's risk culture and whether it is operating within the risk appetite and policies set by the Board.
- Regularly receive and review reports on material risks and the operation of internal controls in place to mitigate those risks.
- Review any material incident involving fraud or a breakdown of AGL's risk controls and reflect on the 'lessons learned'.
- Review reports from management on new and emerging sources of risk (including sustainability-related risks) and the risk controls and mitigation measures that AGL's management has put in place to deal with those risks.
- Oversee and review the adequacy of AGL's risk sharing strategy and corresponding insurance policies, and the adequacy of insurances in place to protect AGL's insurable risks.
- Oversee AGL's cybersecurity preparedness, including evolving risk and business considerations, and monitor the effectiveness of the Company's cybersecurity and data privacy systems.

Compliance management

- Review, and recommend to the Board approval of, AGL's key compliance policies including the Compliance Management Policy.
- Review, and recommend to the Board approval of, AGL's annual Modern Slavery Statement.

- Review and monitor the effectiveness of AGL's Compliance Management System, including relevant processes and initiatives undertaken to continuously improve the Compliance Management System to manage the impact of regulatory change over AGL's operations.
- Monitor compliance by the AGL Group with applicable laws, regulations and obligations that may materially impact the AGL Group's risk profile, including receiving reports of material incidents reported under the Anti-Bribery, Corruption and Fraud Policy and the Code of Conduct, to assess whether AGL is building and maintaining an appropriate compliance management culture.
- Receive, review and discuss with management regular reports on compliance activity.
- Discuss with management and the external auditor any correspondence with regulatory authorities and government agencies and any published reports that raise issues material to the AGL Group.

Other responsibilities

- Make recommendations on any other relevant matters delegated to the Committee by the Board.
- Assess the consequences for AGL of, and make recommendations to the Board on, significant court or tribunal decisions, or significant changes in laws, relating to the Committee's areas of responsibility.
- Conduct periodic post-implementation reviews of major capital projects to:
 - assess the extent to which AGL has realised the benefits expected from those projects at the time they were approved by the Board; and
 - make recommendations to the Board for improvements to the processes for evaluating and approving future capital projects.

7. Other Matters

- 7.1 This Charter will be reviewed and updated at least every two years. Any changes to the Charter must be approved by the Board.
- 7.2 The Committee will annually review its own performance.

Approved by the Board - 24 June 2025
