AGL Energy Plan

Market Retail Contract Fee Schedule

Applying to ex Ampol Energy customers who were transferred to AGL from 27 October 2025

See your Ampol Energy contract terms and Price Fact Sheet for when these and other fees apply. We will advise you of any Pass Through amount or unlisted fees at the time you make a relevant request before you incur them. For example, when we arrange on your behalf for a service to be performed by the Distributor (who is responsible for the electricity poles and wires, and gas pipes in your area) or Meter Service Provider (who is responsible for the meter). Any increase to your fees will only occur in July each year. If your fees are increased, we will provide at least ten business days' notice.

If you have any questions about fees, chat with us online at [agl.com.au](https://www.agl.com.au) or call us on **131 245**
