1. Definitions and Interpretation

(a) Definitions

In this Agreement:

AGL means AGL Energy Services Pty Limited ABN 57 074 821 720, and “**Us**”, “**Our**” and “**We**” have corresponding meanings.

AGL Credits means the credits provided to You by AGL for your participation in AGL’s Solar Management Services in the amount and method set out in the Product Summary and Contract Specifics. AGL Credits amounts are GST exempt.

AGL Electricity Sale Contract means the electricity retail contract between Us or one of Our Related Bodies Corporate and You for the supply of electricity to You at the Supply Address.

Agreement means this contract for Solar Management Services, and the Confirmation Letter, Welcome Pack and Contract Specifics, attachments and annexures and any documents referred to therein.

Australian Consumer Law means the Australian Consumer Law set out in Schedule 2 to the Competition and Consumer Act 2010 (Cth) as amended or replaced from time to time.

Business Day means any day other than a Saturday, Sunday or public holiday in the state in which the Supply Address is located.

Clean Energy Regulator means the Clean Energy Regulator established under the *Clean Energy Regulator Act 2011* (Cth).

Contract Specifics means the schedule of contract information with that name forming part of this Agreement.

Data means any data relating to the Operated Product, Your energy generation and consumption, net export of electricity and any other data that may be transmitted to Us in connection with Our provision of the Solar Management Services, including Your energy usage.

Export means the exporting of electricity to the Supply Address or the National Electricity Grid and **Exporting** has the same meaning.

Distributor means an entity or person who owns, controls, or operates a distribution system.

Electronic Means means any form of electronic communication including email to an agreed email address, or short message service or multi-media message service to an agreed telephone number and which may consist of notice with a link to details of the variation on our website.

Eligibility Criteria means the criteria set out in clause 4(b) of this Agreement and any additional criteria set out by a sales consultant on the telephone with You, or in the Welcome Letter or in this Agreement that You must meet for this Agreement to be effective.

Export means the exporting of electricity to the Supply Address or the National Electricity Grid and **Exporting** has the same meaning.

Further Solar Management Services Term has the meaning given in clause 11(a).

Government Credit means all rights, value, benefits, credits and certificates of any kind which derive from the supply of the Products and Services under a clean energy, energy productivity or carbon reduction government or regulatory program, including an incentive payment from REPS and RECs.

Grid Connection Application means an application to Your electricity Distributor to allow export of electricity from the Supply Address, (or any other changes (temporary or otherwise) to or in relation to the export of electricity from the Supply Address and any related applications for the purposes of this Agreement), including via an online portal, where applicable.

Grid Connection Agreement means the agreement between You and Your electricity Distributor to allow export of electricity from the Supply Address.

GST has the same meaning as in the *A New Tax System (Goods and Services Tax) Act 1999* (Cth) as amended from time to time.

Initial Solar Management Test means an initial check conducted by Us to confirm that we can orchestrate the Operated Product.

Initial Solar Management Term means twelve (12) months, commencing on the date specified in clause 2(b).

Intellectual Property means all intellectual property rights (including rights in confidential information and data) throughout the world, whether present or future, registered or unregistered, including the right to apply for registration of any such rights.

Installation Services means installation services provided in relation to installing a controller or updating your System at your Supply Address for the Solar Management Services.

National Electricity Grid means the physical and market infrastructure required to transport and supply electricity in New South Wales, Victoria, Queensland, South Australia and Tasmania.

Non-excludable Obligation has the meaning given in clause 12(b).

Offer means the offer made by Us to You via telephone or other method to provide You the Solar Management Services on the terms and conditions set out in this Agreement and as an ancillary product to your AGL Electricity Sale Contract.

Operated Product means the product(s) that You own that meets the Specifications.

Premium Feed-In Tariff means a distributor feed-in tariff as defined by each state government. In South Australia, this is defined as the tariff available to customers who connected their solar system to the grid before 30 September 2011.

Product Warranty means the warranty that was provided by the manufacturer and/or supplier of your Operated Product at the time of purchase.

Regulatory Requirements means any relevant Commonwealth, State or local government regulation, including all laws, regulations, subordinate legislation, proclamations, orders in council, licence conditions, codes, guidelines or standards applicable from time to time to the supply or performance of the Solar Management Services at the Supply Address.

Related Body Corporate has the meaning given in the *Corporations Act 2001* (Cth).

Relevant Agent means a person registered as an authorised agent under the Smarter Homes Program in South Australia.

REPS means units (measured in gigajoules) from the Retailer Energy Productivity Scheme in effect in South Australia and other states from time to time.

Solar Meter means a meter connected to the inverter or gateway device that measures solar production, consumption, and grid imports/exports in a home. This meter is used to support limiting exports to the grid.

Specifications means photovoltaic system make and models, as listed in the Contract Specifics. We may add further make and models to the Specifications from time to time.

Supply and **Supplier** have the meaning that they have in *A New Tax System (Goods and Services Tax) Act 1999* (Cth) as amended from time to time.

Supply Address means the address set out in the Welcome Letter or the Contract Specifics and is the address at which the Solar Management Services are or are to be supplied or performed by Us.

Solar Management Event means a period of time during which We directly or indirectly operate Your Operated Product's control settings to perform Solar Management Services.

Solar Management Services means the right granted by You to Us to control and use the Operated Product(s) and includes Us modifying the Operated Product(s)'s settings so as to cause it to limit export of solar electricity to the National Electricity Grid.

Solar Management Services Term means the Initial Solar Management Services Term and any Further Solar Management Services Term.

You means the person who enters into this Agreement with Us, and "**Your**" has the corresponding meaning.

Welcome Letter means the letter sent to You by Us specifying the Solar Management Services that We are providing to You with that name forming part of this Agreement.

(b) Interpretation

In this Agreement (unless the context otherwise requires):

- (a) headings are for convenience and do not affect the interpretation of this Agreement;
- (b) words importing the singular include the plural and vice versa;
- (c) all references to 'include' or 'including' or 'for example' are non-exhaustive and do not imply any limitation;
- (d) an expression importing a natural person includes any company, partnership, trust, joint venture, association, corporation or other body corporate and any government agency;
- (e) a reference to a document or a provision of a document includes an amendment or supplement to, or replacement or novation of, that document or that provision of that document;
- (f) a reference to a person includes that person's:
 - (i) executors, administrators, successors, substitutes (including persons taking by novation) and permitted assigns; and
 - (ii) officers, employees, contractors, agents or other representatives;
- (g) when capitalised, grammatical forms of a word or phrase defined in this Agreement have a corresponding meaning;
- (h) a period of time which:
 - (i) dates from a given day, or the day of an act or event, is to be calculated exclusive of that day;
 - (ii) commences on a given day, or the day of an act or event, is to be calculated inclusive of that day; and
 - (iii) an event which is required under this Agreement to occur on or by a stipulated day which is not a Business Day may occur on or by the next Business Day; and

- (i) any discretion that We have under this Agreement will be exercised by Us on reasonable grounds, including considerations relating to:
 - (i) whether circumstances were beyond Your reasonable control, or were accidental but not negligent;
 - (ii) Your history with Us and our Related Bodies Corporate, including Your conduct under this Agreement, Your AGL Electricity Sale Contract and any previous contract with Us for the sale and supply of products and services;
 - (iii) our evaluation of the likelihood that You will fulfil Your obligations under this Agreement or Your AGL Electricity Sale Contract in the future; and
 - (iv) the consistent application of Our policies applying to similar customers in similar circumstances (including departing from these policies in relevantly different circumstances).

2. Agreement and Solar Management Services commencement

- (a) The Agreement commences when You accept the Offer.
- (b) The Solar Management Services Term commences on the later date of when:
 - (i) Your AGL Electricity Sale Contract commences;
 - (ii) You have met the Eligibility Criteria; and
 - (iii) You accept the Offer("Solar Management Services Commencement Date")

3. Payment

- (a) We or one of Our Related Bodies Corporate (acting as Our agent) will credit the AGL electricity bill associated with Your AGL Electricity Sale Contract in the amount of any AGL Credits.
- (b) For clarity, under this Agreement:
 - (i) You are only entitled to AGL Credits in accordance with clause 3(a);
 - (ii) no amounts are payable to You; and
 - (iii) AGL Credits may only be applied as part payment of Your AGL electricity bill and are not transferrable and are not redeemable for cash.

4. Your obligations

- (a) You will make Your own enquiries to find out how the Solar Management Services may impact:
 - (i) any retail electricity sale contract You are a party to;
 - (ii) Your Product Warranty;
 - (iii) Your Grid Connection Agreement;
 - (iv) any feed-in tariff You receive,and You agree that We are not liable for any loss, damage or liability You suffer as a result of the impact of the Solar Management Services on any of the above.
- (b) You acknowledge and agree that you meet the following Eligibility Criteria and are responsible for meeting the Eligibility Criteria at all times during the Agreement. You must
 - (i) have authority and capacity to enter into this Agreement;
 - (ii) not have an existing solar battery connected to the Operated product at the Supply Address;
 - (iii) not be participating in any virtual power plant or other third party solar management program (with exception of mandatory government programs such as the SA Smarter Homes Program), or ;
 - (iv) not be currently receiving a Premium Feed-in Tariff, either through a government scheme or retail energy plan
 - (v) have an Operated Product installed that meets the Specifications;
 - (vi) own or have the right to use and control the Operated Product;

- (vii) own or occupy the Supply Address, or if You are not the owner of the Supply Address, have obtained written consent from the owner in relation to the entry into and performance of this Agreement;
- (viii) have all necessary approvals, consents or authorities from any owner, residents, owner's corporation or local authorities;
- (ix) have an AGL Electricity Sale Contract in relation to the Supply Address;
- (x) ensure each Operated Product is properly functioning and maintained and that You are connected to the internet (ideally through an ethernet connection) on a continuous basis;
- (xi) comply with all Regulatory Requirements in relation to the Supply Address and the Operated Product;
- (xii) have a Grid Connection Agreement with Your Distributor in relation to the Supply Address, the Operated Product and the solar photovoltaic system and not be in breach of any Grid Connection Agreement;
- (xiii) have a Solar Meter installed at the Supply Address, or agree to have one installed; and
- (xiv) meet any other criteria specified by Us from time to time.

(c) You acknowledge that You are responsible for all energy charges under Your AGL Electricity Sale Contract associated with the use and operation of the Operated Product and that You are responsible for all hardware, internet enabled device, internet connection, systems and software applications that You use to download, install and/or operate to access the Solar Management Services.

(d) You agree to co-operate with Us and your manufacturer if a software upgrade to your Operated Product is required in order for Us to provide You with the Solar Management Services.

(e) You must not, and must not allow, any other person to (unless otherwise authorised in writing by Us):

- (i) control, move, remove, tamper with, disable, displace or damage any Operated Product (including disconnecting its internet connectivity); or
- (ii) provide You with any services similar to or the same as the Solar Management Services in relation to the Operated Product (except for as required under a government program).

(f) Despite any other clause of this Agreement, You acknowledge and agree that if the terms and conditions of Your AGL Electricity Sale Contract change (including any change to any charge, benefit or tariff), that any benefits, including financial benefits, arising under this Agreement or stated in the Welcome Letter or the Contract Specifics or any estimate of system performance or other representations may be impacted, and We are not liable to You for any loss, damage or liability You suffer as a result of or in connection with any such impacts.

(g) If the Operated Product or Supply Address is sold, leased, sublet, licensed, transferred or assigned to any other person:

- (iii) You will notify the relevant person regarding consents in this Agreement and obtain their consent;
- (iv) You will notify Us immediately; and
- (v) We may provide Our consent on terms and conditions We deem reasonable, including requiring any lessee, sublessee, licensee, assignee or transferee to enter into an agreement

with Us on similar terms to this Agreement, which You agree to procure. You agree to pay Us any reasonable costs incurred by Us in doing this.

5. Customer Tax Warranty

You warrant to Us that:

- (a) You are and for the duration of the Agreement will be, an individual;
- (b) You are not and will not be entitled to an ABN as You are not carrying on an enterprise in Australia; and
- (c) the Supply is wholly of a private and domestic nature (from the Supplier's perspective).

6. Description of Solar Management Services

- (a) During a Solar Management Event, We will manage Your Operated Product to limit the export of solar electricity to the National Electricity Grid. However, this will not impact on the ability to use electricity produced by your Operated Product for self-consumption during this time.
- (b) The total duration of all Solar Management Events will not exceed 140 hours in each Solar Management Term. Where your Operated Product is managed by a Relevant Agent, any action taken by them pursuant to Regulatory Requirements to limit export of your photovoltaic system will not be included in the 140 hours.

To the extent permitted by law, We are not liable to You for any loss, damage or liability You suffer as a result of or in connection with any of the impacts described in clause 6(a). We are also not liable for any damage loss or liability You suffer as a result of the Relevant Agent or any other third party.

7. Estimated Impact of Solar Management Services

- (a) Assuming You meet all the Eligibility Criteria and Specifications, We estimate that the AGL Credits will exceed the loss in feed-in tariff that you would have received but for the Solar Management Service over each 12 month period starting from the Solar Management Commencement Date and each anniversary of that date.
- (b) Notwithstanding clause 7(a), if the terms and conditions of Your Electricity Sale Contract change (including any change to any charge, benefit or tariff), then any benefits, including financial benefits, arising under this Agreement may be impacted.

8. Government Credits

- (a) You may be entitled to create or receive Government Credits, including through creating energy productivity value, as a result of the supply of the Services;
- (b) We will own, and You assign to Us, all rights in and title to any such Government Credits that may arise in relation to the Services;
- (c) You confirm that you have not created, or assigned the right to create, any Government Credits for participation in another solar management product previously;
- (d) We may apply for such Government Credit in Your name; and You authorise Us to directly receive payment and grant of, or right and title to, that Government Credit;
- (e) If the Government Credit was not created or was improperly generated, then if this was due to a breach by You of this Agreement, then in addition to the amounts in clause (e), we may also recover all reasonable costs or a reduction in benefits caused by this.

- (f) You agree that You will promptly do all things necessary, including providing any necessary information and signing any further documents, to ensure that this clause 8 is effective.

9. Additional Services

- (a) From time to time, We may offer to add additional services (including adding additional Operated Products to this Agreement) by prior written notice to You (**Additional Services**). This written notice will set out the terms of the Additional Services including any price impacts.
- (b) If You accept the provision of the Additional Services in the manner set out in the written notice and sign a copy of that notice, the content of the notice will be incorporated into this Agreement and any terms, including payment terms (such as the quantity and/or method AGL Credits are provided to You) in the Welcome Letter or the Contract Specifics of this Agreement, will be varied upon Your signing of that notice.

10. Variations and change in law

- (a) We may by written notice to You immediately vary this Agreement:
 - (i) as We consider necessary to accommodate any change in any Regulatory Requirements or where We are permitted to do so by a Regulatory Requirement;
 - (ii) to make a change that You have requested or expressly consented to;
 - (iii) to make an administrative or typographical change; or
 - (iv) to make the terms of this Agreement more favourable to You; or
 - (v) if We can demonstrate that due to a change in Regulatory Requirements a cost associated with the supply of the Services has increased after the commencement of the Solar Management Services Term, we may decrease the value of the AGL Credits by a reasonable corresponding amount; and
 - (vi) such variation will be deemed to be incorporated into this Agreement.
- (b) We may by written notice to You request to vary this Agreement in circumstances other than set out in clause 10(a) above and upon receipt of the notice, You can either:
 - (i) accept the proposed variation and the Agreement will continue with the variation; or
 - (ii) opt not to accept the proposed variation and terminate the Agreement in accordance with clause 11.2(a).

11. Termination

11.1 Termination by Us

- (a) In addition to any other rights provided at law, We may provide you with not less than 30 days written notice to terminate this Agreement:
 - (i) if Your Grid Connection Agreement is terminated;
 - (ii) if We determine acting reasonably that it is not technically or operationally feasible or commercially viable to supply the Solar Management Services to You;
 - (iii) upon You notifying us, or if We become aware, that the property located at the Supply Address to which the Solar Management Services apply to has been sold, leased, sublet, licensed, transferred or assigned;
 - (iv) for convenience; or
 - (v) if Your AGL Electricity Supply Contract is terminated.

(b) If this Agreement is terminated by Us in accordance with:

- (i) Clauses 11.1(a)(i)-(iv) inclusive, You will be entitled to retain the AGL Credits which You have received as at the date of termination, and we will pay You the AGL Credits that have accrued up to the date of termination and the AGL Credits that would have accrued (but for the termination of this Agreement) for the remainder of the Initial Solar Management Services Term or relevant Further Solar Management Services Term (as applicable); or
- (ii) Clause 11.1(v), You will be entitled to retain the AGL Credits that You have already received as at the date of termination and we will pay You the AGL Credits that have accrued up to the date of termination. You will not be entitled to receive any other AGL Credits.

11.2 Termination by You

- (a) You may terminate this Agreement by giving Us written notice of not less than 30 days stating that You opt not to accept the variation to the Agreement pursuant to clause 10(b). If you terminate in accordance with this clause, You will be entitled to retain the AGL Credits which You have received as at the date of termination, and we will pay You the AGL Credits that have accrued up to the date of termination and the AGL Credits that would have accrued (but for the termination of this Agreement) for the remainder of the Initial Solar Management Services Term or relevant Further Solar Management Services Term (as applicable)

11.3 Termination for Breach

- (a) Either party may terminate this Agreement at any time by written notice of not less than 30 days to the other party if that other party commits a material breach of this Agreement and that breach:
 - (i) is not capable of remedy; or
 - (ii) is capable of remedy but is not remedied within a reasonable period of not less than 60 days from the date of a written notice calling upon the party in breach to remedy such breach.
- (b) For clarity, and without limiting any other rights of termination under this Agreement and what other breaches which may be material, the parties agree that the following are material breaches of this Agreement:
 - (i) if Your Operated Product is not connected to the internet or properly functioning, and You do not rectify the connectivity or functionality promptly after being made aware of this by Us;
 - (ii) a breach of any of Your obligations under clause 4 (including no longer meeting the Eligibility Criteria);
 - (iii) if You commit any fraudulent or grossly negligent act in relation to this Agreement.

11.4 Effect of termination by You without cause or for Your breach

- (a) Without limiting clause 11.5, if:
 - (i) You terminate this Agreement other than in accordance with clause 11.2 or clause 11.3; or
 - (ii) We terminate this Agreement for Your breach in accordance with clause 11.3, You will be entitled to retain the AGL Credits that You have already received as at the date of termination, and we will pay You the AGL Credits that have accrued up to the date of termination but You will not be entitled to receive any further AGL Credits.
- (b) Without limiting clause 11.5, if You terminate this Agreement for Our breach in accordance with clause 11.3(a), You will be entitled to retain the AGL Credits which You have received as at the date of termination, and we will pay You the AGL Credits that have accrued up to the date of termination and the AGL Credits that You would have accrued (but for the termination of this Agreement) for the remainder of the Initial Solar Management Services Term or relevant Further Solar Management Services Term (as applicable).

11.5 Effect of termination – general

- (a) Termination of this Agreement will not affect any:
 - (i) accrued rights or remedies that We or You may have under this Agreement; or
 - (ii) rights or obligations stated to survive termination, or by their nature intended to survive termination.

12 Electricity distributor and consents

- (a) You warrant that you meet all Eligibility Criteria.
- (b) You must immediately notify us if Your Grid Connection Agreement is amended or terminated.
- (c) If We ask, You agree to appoint Us as Your representative to deal with Your Distributor, government agency, electricity retailer, Clean Energy Regulator and Relevant Manufacturer on Your behalf, including to:
 - (i) make any Grid Connection Application or any similar,
 - (ii) seek to amend or agree any amendment of Your Grid Connection Agreement;
 - (iii) accept Your electricity Distributor's terms and conditions including any variation of such terms and conditions;
 - (iv) seek and receive information from about Your eligibility to receive the Solar Management Services, Your connection, Grid Connection Agreement, Operated Product or other related systems at the Supply Address or any other technical information relevant to the supply of the Solar Management Services.
- (d) You may withdraw the authorisation under clause 12(c) by notifying Us in writing, but this may delay or disrupt Our provision of the Solar Management Services (and by withdrawing the authorisation You agree that We may in Our absolute discretion terminate or suspend the supply of Solar Management Services that We consider are potentially affected by the loss of such authorisation).
- (e) You agree that in appointing Us as Your representative under clause 12(c), this may prompt third parties such as Your Distributor to seek to ascertain whether You have complied with any of the Distributor's requirements or Regulatory Requirements. We are not liable to You for any loss, damage or liability You suffer as a result of any non-compliances in relation to Your Supply Address.

13 End of Solar Management Services Term

- (a) This Agreement will terminate at the end of the Initial Solar Management Services Term if either party provides written notice that it is terminating this Agreement at least 14 days prior to the end of the Initial Solar Management Services Term. If neither party provides at least 14 days' written notice prior to the end of the Initial Solar Management Services Term, this Agreement will automatically renew for successive terms of one (1) year (each a **Further Solar Management Services Term**).
- (b) In any Further Solar Management Services Term either party may terminate for convenience at any time by providing the other with 30 days' prior written notice that it is terminating this Agreement.
- (c) If this Agreement renews in accordance with clause 13(a) for a Further Solar Management Services Term, all other terms and conditions of this Agreement continue to apply during the Further Solar Management Services Term, but in addition to the rights of Variation under clause 10, We may at any time provide You with 30 days' written notice (from the date in the notice) varying the terms and conditions of this Agreement (including changes to any fees, charges or price) that will

apply for any Further Solar Management Services Term. If You do not agree with the proposed variations, You may terminate this Agreement on 30 days' written notice to us.

- (d) If You or We terminate this Agreement at the end of the Initial Solar Management Services, You will be entitled to retain the AGL Credits which You have received as at the date of termination, and we will pay You the AGL Credits that have accrued up to the date of termination.

14 General warranties

- (a) Despite anything to the contrary in this Agreement, to the extent that You receive Solar Management Services from Us as a consumer within the meaning of the Australian Consumer Law, You may have certain guarantees, rights and remedies under the Australian Consumer Law (including consumer guarantee right that the Solar Management Services We provide to You will be of acceptable quality, fit for the purpose disclosed and carried out by Us with due care and skill) that cannot be excluded, restricted or modified by agreement.
- (b) Nothing in this Agreement operates to exclude, restrict or modify the application of any implied condition or warranty, provision, the exercise of any right or remedy, or the imposition of any liability under the Australian Consumer Law or any other statute where to do so would:
 - (i) contravene that statute; or
 - (ii) cause any term of this Agreement to be void,**(Non-excludable Obligation).**

15. Intellectual Property

- (a) Intellectual Property owned by either party at the commencement of this Agreement remains the property of that party.
- (b) Any Intellectual Property developed or created during the performance of this Agreement vests in Us immediately upon its creation and You assign all right, title and interest in such Intellectual Property to Us and will do any further acts or execute any documents required by Us to effect such assignment.
- (c) Without limiting any other clause of this Agreement, to the extent You provide, submit, send or receive information or content in which You own Intellectual Property to Us under or in connection with this Agreement, You provide us with a perpetual royalty-free worldwide license to use, reproduce, modify, adapt and create derivative works in such Intellectual Property for the purposes of improving and developing our products and services.

16. Data

- (a) You consent to:
 - (i) the transmission of the Data to Us;
 - (ii) Our access to and use of the Data for any purpose We see fit (subject to privacy laws and Our privacy policy);
 - (iii) Our use and sharing of the Data with third parties, including any contractor providing the Solar Management Services, the Relevant Manufacturer, the Australian Energy Market Operator, the Clean Energy Regulator, a Distributor, a government agency or any person as required under the Regulatory Requirements or any person involved in the supply chain of a virtual power plant with which Your Solar Management Services are associated and to these third parties using and sharing this Data for any purpose they see fit (subject to privacy laws);

- (iv) Us and Our Related Bodies Corporate using Your Data for internal assessments, developing new products and services and marketing activities for existing or new products and services;
 - (v) the above consents for Us to receive Data continuing even if We or any of Our Related Bodies Corporate cease to be Your electricity retailer, the metering provider or the metering data provider for Your Supply Address;
 - (vi) Us notifying third parties of Your consent to allow Us to continue receiving this Data as required to continue supplying You with products and services and confirmation of Your consent by completing or signing documents provided to You.
 - (vii) Where We are permitted by Regulatory Requirements, You give consent for Us to access and use information that is recorded prior to the date that You accept the Offer.
- (b) You may withdraw the consents contained in this clause 16 at any time by notifying Us, but doing so may prevent Us from providing You with the Solar Management Services and may impact the functionality of the Operated Product and Solar Management Services (and by withdrawing consent You agree that We may in Our absolute discretion suspend or terminate the supply of Solar Management Services that We consider are potentially affected by the loss of such consent).
- (c) This clause 16 survives termination or expiry of this Agreement.

17. Privacy and Confidential Information

Without limiting clause 16 or any other provision of this Agreement:

- (a) The information and Data collected by Us may include personal information within the meaning of the *Privacy Act 1988* (Cth). We may otherwise collect, use and disclose Your personal information in accordance with Our privacy policy and credit reporting policy, which is available at: www.agl.com.au/privacy-policy, and which provides further details about the personal information We collect, what We do with it, where We send it, the credit reporting bodies We use and Your opt-out, access, correction and complaint rights with Us.
- (b) We may disclose personal information obtained in accordance with this Agreement to:
 - (i) Our Related Bodies Corporate; or
 - (ii) third parties outside Australia as set out in the privacy policy referred to in clause 15(a), and You acknowledge that while these third parties will often be subject to privacy and confidentiality obligations:
 - a. they may not always comply with those obligations or those obligations may differ from Australian privacy laws;
 - b. We will not be accountable for the third party under the *Privacy Act 1988* (Cth);
 - c. You may not be able to seek redress under the *Privacy Act 1988* (Cth); and
 - d. the third party may be subject to foreign laws which might compel further disclosures of personal information (e.g. to Government Agencies);
 - (iii) promote and market and sell services to You on an ongoing basis, including through telephone and Electronic Means, unless You opt out.

18. Liability

- (a) You acknowledge and agree that the information and Data or reports You receive in connection with the Solar Management Services may be incomplete or vary from the data and information

recorded by other metering devices, including any network electricity meter at the Supply Address. For clarity, in the event of any discrepancy, the network electricity meter will take precedence.

- (b) To the extent permitted by law, We are not liable for any loss, harm, damage, cost, expense (including legal fees) or third party claims, or in the nature of special, indirect, consequential loss or damage, which You suffer, incur or are liable for, including arising directly or indirectly from:
- (i) any property damage (including damage to the Operated Product and the property at the Supply Address) caused by the Solar Management Services;
 - (ii) any errors, viruses or bugs present in or arising from the Solar Management Services or any incompatibility of the Solar Management Services with any other software or hardware;
 - (iii) any damage caused to the Operated Product, or other inability to utilise the Operated Product, due to hardware or software upgrades initiated by the manufacturer;
 - (iv) the Operated Product, any other Operated Product on the Supply Address, or any electricity charges payable by You under Your AGL Electricity Sale Contract or to another retailer or Your distributor; or
 - (v) any cost or expense (including legal fees), or in the nature of special, indirect or consequential loss or damage (including, without limitation, economic loss (including increased electricity costs, loss of solar output, loss of stored solar energy, disruption of energy supply or storage, loss of revenue including any feed-in tariff or profit or any reduction in capital value of the Supply Address), loss of contract, loss of profit or revenue or loss of opportunity.

19. Regulatory Requirements

- (a) Where Regulatory Requirements are optional or permit the parties to vary or exclude them by agreement, if a term or condition agreed between the parties in this Agreement is inconsistent with a Regulatory Requirement, the term or condition will prevail to the extent permitted.
- (b) If:
- (i) any matter required to be dealt with by a Regulatory Requirement is not, or is only partly, expressly dealt with in this Agreement; or
 - (ii) any term or condition of this Agreement is rendered void for inconsistency with a Regulatory Requirement,
- the relevant Regulatory Requirement is incorporated into this Agreement in whole or in part as required.

20. Force Majeure Event

- (a) If an event outside Our or Your reasonable control (**Force Majeure Event**) prevents Us or You from complying with any obligations under this Agreement, those obligations will be suspended for the duration of the Force Majeure Event (other than any obligation to pay money).
- (b) The party affected by the Force Majeure Event must use its best endeavours to:
- (i) give the other party prompt notice of, and full details about, the Force Majeure Event; and
 - (ii) minimise, overcome or remove the Force Majeure Event as quickly as practicable (however, this will not require either party to settle any industrial dispute).
- (c) The party affected by the Force Majeure Event must advise the other party about:
- (i) the likely duration of that event;
 - (ii) the obligations affected by that event;
 - (iii) the extent to which those obligations will be affected; and
 - (iv) the steps that will be taken to minimise, overcome or remove those effects.
- (d) For the purposes of clause 20(b)(i), and only if the Force Majeure Event is widespread, Our requirement to give You prompt notice is satisfied if We make the necessary information available

by way of providing a 24 hour telephone service within 30 minutes of being advised of the Force Majeure Event, or otherwise as soon as practicable.

21. Assignment

- (a) We may assign, transfer or novate Our rights and obligations under this Agreement to another person at any time:
 - (i) by notice to You, if:
 - a. that person is a Related Body Corporate of Us; or
 - b. that assignment, transfer or novation forms part of the transfer of all or a substantial part of Our battery or solar energy business to that other person.
- (b) Unless otherwise agreed under this Agreement, You cannot assign, transfer or novate Your rights and obligations under this Agreement to any third party.
- (c) This Agreement binds any executor or administrator of Your estate. If You die during the term of this Agreement, Your executor or administrator must perform the remainder of this Agreement on Your behalf.

22. Notices

- (a) Except where otherwise specified in this Agreement or required under Regulatory Requirements, any communication between the parties under this Agreement may be in person, in writing, by telephone or by Electronic Means.
- (b) Any communication under this Agreement required to be in writing may be made by mail or Electronic Means capable of generating a delivery confirmation report.
- (c) Any written communication by You or Us is deemed to have been received:
 - (i) if sent by mail, the estimated delivery time of ordinary post as published by Australia Post; or
 - (ii) if sent by Electronic Means, on the earlier of receipt of delivery confirmation or the day of transmission (unless otherwise notified that delivery of the communication was unsuccessful or delayed).

23. Complaint handling and dispute resolution

- (a) If You have a query or complaint, You may contact Us in writing or by telephone.
- (b) We will address any complaints in accordance with Our complaints handling and dispute resolution procedure, which can be located at www.agl.com.au, or is available on request.
- (c) We will inform You of the outcome of Your complaint. If You are not satisfied with our response to Your complaint, You may refer Your complaint to the energy ombudsman in the State in which Your Supply Address is located.

24. Waiver

Except as otherwise provided in this Agreement, a right created under this Agreement may only be waived in writing signed by the party granting the waiver.

25. Severability

If any part of this Agreement is or becomes illegal, void or unenforceable, this does not invalidate the rest of this Agreement, which will remain in full force and effect.

26. Applicable law

This Agreement is governed by the laws in force in the State in which Your Supply Address is located. The parties submit to the non-exclusive jurisdiction of the courts in that State.
